Article II **Description of Improvements**

2.01 Identification of Units. A plat and plan of the Land and improvements thereon and a graphic description of the improvements in which the Units are located identifying each Unit by a number so that no Unit bears the same designation as any other Unit, all in sufficient detail to identify the Common Elements and each Unit and their relative locations and approximate dimensions, are set forth in the Plan and Plat. The legal description of each Unit shall consist of the identifying number or letter for such as shown on the Plat and Plan, the name of the Condominium, the name of the county in which the Land is situated, the name of the office in which this Declaration is recorded, and the deed book and page number where the first page of this Declaration is recorded.

2.02 Exterior Porches and Decks. Exterior porches and decks shall be considered part of the Unit from which it is directly accessible. However, no Unit Owner shall be entitled to construct anything thereon nor to change any structural part thereof.

2.03 Ownership of Common Elements. Each Owner shall own an undivided interest in the Common Elements with all other Owners, and, except as otherwise limited in this Declaration, shall have the right to use the Common Elements for all purposes incident to the use and occupancy of the Owner's Unit as herein provided, without hindering or encroaching upon the lawful rights of the other Owners, which rights shall be appurtenant to and run with the Unit. The extent or amount of such ownership shall be expressed by a percentage relating to each Unit as set forth on Exhibit "D" hereto and made a part hereof for all purposes, and shall remain constant, unless changed in accordance with the provisions hereof or by the unanimous approval of all Owners and Mortgagees. Each Unit shall have an equal percentage ownership in the Common Elements.

Article III **Easements; Title Exceptions**

3.01 Easements and Restrictions. The Units and Common Elements shall be, and the same are hereby declared to be, subject to the restrictions, easements, conditions and covenants prescribed and established in the Condominium Documents governing the use of the Units and Common Elements in setting forth the obligations and responsibilities incident to ownership of each Unit and its appurtenant undivided interest in the Common

Elements. Said Units and Common Elements are further declared to be subject to the restrictions, easements, conditions and limitations now of record affecting the Condominium Property, which easements and restrictions are more particularly described in Section 3.10 hereof.

3.02 Utility Easements. Utility easements are hereby reserved throughout the whole of the Property, including Units, as may be required for utility services (including, without limitation, water, sewer, gas, electricity, telephone and cable television) in order to adequately serve the Condominium Property.

3.03 Additional Utility Easement. There may be utility equipment located in or on the Common Elements appurtenant to some Units. An easement is hereby reserved in favor of each Unit for the purpose of placement, maintenance, repair and replacement of said utility equipment by the Developer and the Owner of the appurtenant Unit; provided that no utility equipment shall be placed in any part of the Common Elements other than its present location unless the written approval of the Board of Directors shall have first been obtained. The Association shall have the right to grant such permits, licenses and other easements over the Common Elements for utilities, roads and other purposes necessary for the due and reasonable operation of the Condominium

3.04 Easements for Ingress and Egress. The Common Elements shall be, and the same are hereby declared to be, subject to a perpetual nonexclusive easement of way over all roads, parking areas, walkways, and other Common Elements, in favor of all Owners and the Developer for all proper and nominal purposes and for the furnishing of services and facilities for which the same are reasonably intended for the enjoyment of said Owners and the Developer, subject to all restrictions in the Condominium Documents.

3.05 Easements for Encroachments. To the extent that any Unit or Common Element encroaches on any other Unit or Common Element, whether by reason of any deviation from the Plan in the original construction, repair, renovation, restoration or replacement of any improvement, or by reason of the settling or shifting of any land or improvement, a valid easement shall exist, and the same is hereby declared, for the encroachment and/or the maintenance of the same, so long as the encroaching Unit or Common Element stands. A valid easement shall not relieve an Owner of liability for such Owner's or such Owner's agent's negligence or intentional acts in cases of willful and intentional misconduct by an Owner or an Owner's agents. In the event any Unit, any adjoining Unit, or any adjoining Common Elements shall be partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, and then constructed, reconstructed or repaired, encroachment on parts of the Common Elements upon any Unit or of any Unit upon any of the other Units or Common Elements resulting from such construction, reconstruction or repair shall be permitted, and valid easements for such encroachment and the maintenance thereof shall exist so long as the encroaching improvements shall stand.

3.06 Easement of Support. Each Unit shall have, and the same is hereby declared, an easement of support from every other Unit and Common Element which provide such support.

3.07 Easement for Repair Purposes. An easement is hereby reserved over and through all Units in favor of the Association for purposes of permitting the Association to access any Common Element for maintenance, repair or replacement purposes; provided, however, that the Association shall take advantage of and use such easement only when any such Common Element is not otherwise reasonably accessible without entering into any such Unit; and provided, further, however, that any entry into a Unit by the Association or its agents pursuant to this Section shall occur in such a manner as to reasonably minimize the disruption caused to any lawful occupants of such Unit except in the event of an emergency wherein there is the potential of damage to life or property, the determination of which shall be in the sole and absolute discretion of the Association, in which event the Association and its agents shall be permitted to make such entry into such Units as is reasonably necessary to address and remedy said emergency.

3.08 Easement for Construction of Phase II. As described in greater detail in Section 4.05 hereof, the Developer has reserved development rights to construct Phase II. Therefore, in addition to any easement rights granted in favor of the Developer by the Act, an easement is hereby reserved for the benefit of the Developer and its contractors and subcontractors over and across the Land for all purposes necessary to enable the Developer to construct and develop Phase II. During the period of any construction activities relating to Phase II, the Developer shall have the right to fence in Phase II, and to restrict access to such properties during the pendency of such construction activities as the Developer shall deem appropriate and necessary in its sole and absolute discretion.

3.09 Easements Appurtenant to Units. The easements and other rights created herein for the Unit Owners shall be appurtenant to the Unit of that Owner and all conveyances of title to the Unit shall include a conveyance of the easements and rights as herein provided even though no specific reference to such easements and rights appear in such instrument. Any conveyance, encumbrance, judicial sale or other transfer (voluntarily or involuntarily) of an undivided interest in a Common Element shall be void unless the Unit to which that interest is allocated is also transferred to the same recipient as the undivided interest in the Common Element so transferred. The Owners do hereby designate the Association as their lawful attorney-in-fact to execute any and all instruments on their behalf for the purpose of creating all such easements as are contemplated by the provisions hereof.

3.10 Title Exceptions. In addition to the items set forth in this Article III, the Condominium Property, the Units and the Common Elements are further declared to be subject to the following restrictions, easements, conditions and limitations:

(A) The terms, conditions, covenants, and provisions of the Condominium Documents;

(B) Sewer, water, electric, telephone, and other utility easements, if any, now or hereafter placed of record, including the right to erect, maintain and install all electrical, telephone and television wires, cables and conduits, sewers, water pipes and drains, and other improvements for public conveniences or utilities in, on, under, over, and through the Condominium;

(C) Reservation of all oil, gas, and other minerals, together with all rights of ingress and egress for the use and enjoyment of same, which have heretofore been reserved or conveyed to others;

(D) Any encroachments or facts which might be revealed by an accurate survey or personal inspection of the Condominium;

(E) Ad valorem taxes which are a lien upon the Condominium, but are not yet due and payable;

(F) Building setback lines and drainage and utility line easements as shown on the Plat or Plan to be recorded, if any;

(I) That certain easement granted to The City of Auburn as recorded in Book 2158 at Page 508;

(J) All matters as shown on that certain plat as recorded in Plat Book 19 at Page 91; and

(K) All matters as shown on that certain plat as recorded in Plat Book 42 at Page 166.

All recording references are to the Real Property Records.

Article IV
Special Declaration and Development Rights

4.01 Amendment of Condominium Plan. The Developer reserves the right to change the interior design and arrangement of all Units, including without limitation, the erection or removal of interior walls, fixtures, plumbing, electrical wiring, doors, flooring, heating and air conditioning, ventilation and ducts, to alter the boundaries between Units and to increase or decrease the number of Units so long as the Developer, or its affiliates or

owners, owns the Units so altered. Changes in the boundaries between Units, as hereinbefore provided, shall be reflected by an amendment to the Plan and/or Plat and, if necessary, an amendment to this Declaration. An amendment to the Plan or this Declaration reflecting an alteration of the boundaries of the Units owned by the Developer must be signed and acknowledged only by the Developer and need not be approved by the Owners and Mortgagees, whether or not such approval may elsewhere be required herein; provided, however, that, except as is set forth in Section 4.05 and Section 4.06 hereof, any change which shall result in a change in the undivided interest in the Common Elements or a change in the share of the Common Expenses with respect to Owners of Units other than the Developer at the time of such change or which shall result in the alteration of boundaries of Units (other than the common walls separating the Units owned by the Developer) may not be made without an amendment of this Declaration approved by the Owners and Mortgagees in the manner elsewhere required herein.

4.02 Option to Increase Size of Units and Walls. The Developer expressly reserves the right until the second (2nd) anniversary of the recordation of this Declaration to increase the size of any Unit created by this Declaration and owned by the Developer and to increase the height of any wall on the Property without the consent of any Owner or Mortgagee. There is no limitation on this option to increase the size of the Units.

4.03 Use for Sales Purposes. All Units and the Common Elements shall be subject to the statutory right concerning sales and management offices and models in Units and the Common Elements in favor of the Developer provided in §35-8A-215 of the Act. The Developer expressly reserves the right to use one (1) or more Units owned by the Developer as models, and any portion of the Common Elements or one (1) or more Units for management offices and/or sales offices. The Developer reserves the right to relocate offices and/or models from time to time within the Property. Upon relocation or sale of a model, the management office or sales office and the furnishings thereof may be removed by the Developer. The Developer further reserves the right to maintain on the Common Elements advertising signs in any location or locations and from time to time to relocate and/or remove the same, all in the sole discretion of the Developer.

4.04 Use by the Developer. Subject to the rights of the Mortgagees hereunder, neither the Owners nor the Board of Directors nor their use of the Condominium Property or application of this Declaration shall interfere with the completion of the contemplated improvements and sales of the Units in the Condominium until the Developer has completed all of the Developer's contemplated improvements and closed the sales of all of such Units. Subject to the rights of the Mortgagees hereunder, the Developer may make such use of the unsold Units and of the Common Elements as may facilitate such completion and sale, including, but not limited to, maintenance of a sales office, management office and model units, the showing of the Condominium Property and the Units therein, and the display of signs thereon and therein. These special declarant rights exist so long as the Developer owns any Unit in the Condominium or holds any Unit in the Condominium for sale in the ordinary course of business or leases any Unit it owns. The Developer expressly reserves the right to lease any Unit which it may own in the

Condominium Property on such terms as it may deem proper and desirable and may transfer Units subject to such lease.

4.05 Development Right-Phase II. The Developer hereby reserves the right to add up to thirteen (13) additional Units to the Condominium, as Developer may elect in its sole discretion ("Phase II"). Any such additional Units shall be built upon that portion of the Land more particularly shown and labeled as "Phase II" on Exhibit "C" attached hereto and incorporated herein by reference (the "Phase II Land"); provided, however, that the Developer expressly reserves the right to construct such additional Units anywhere on the Phase II Land that Developer, in its sole and absolute discretion, deems necessary and appropriate. All such additional Units will be restricted to residential use and subject to all other restrictions herein. No such additional Units, structures or improvements may be erected or constructed within the Phase II Land by the Developer except Units and Common Elements, partitions and other structures and improvements compatible with those in other portions of the Land (in terms of quality of construction, the principal materials to be used, and architectural style) except to the extent that deviations may be rendered necessary or desirable by the requirements of building codes or other legal requirements, by technological advances, or by the availability of substitute materials of equal or better quality or performance characteristics than those used in other portions of the Condominium. Any additional Units and any additional Common Elements created within the Phase II Land will be substantially identical to those currently in existence, in external appearance, except that their size, configuration, proportions and number of rooms may be altogether different and no assurances are given with regard to such. The Developer reserves the right to designate Common Elements within the Phase II Land. In the event Phase II is constructed and added to the Townhomes at Twin Forks, a Condominium regime, the allocated interests in the Common Elements, as is currently set forth on Exhibit "D" attached to the Declaration, shall be reallocated in accordance with the current method of such allocation set forth in Section 2.03 of the Declaration. In the event Developer exercises this development right, Developer may, in its sole discretion, elect to build and construct Units in any one or more portions of the Phase II Land without building and constructing Units in the entirety of the Phase II Land all at once. Developer expressly reserves the right to exercise this development right on multiple occasions until such time as either Developer has constructed a total of thirteen (13) Units on the Phase II Land and added such Units to the Condominium or the rights reserved by Developer relative to Phase II expire and terminate. The Developer's option to add Phase II, or any portion thereof, to the Condominium shall expire on the tenth (10th) anniversary of the recording of this Declaration unless, prior to that date, the Developer records an amendment to this Declaration or other appropriate document relinquishing any right the Developer may have to construct and dedicate such additional Units or improvements. Should the Developer elect to add additional Units to the Condominium as provided herein, it will do so by complying with the provisions of Alabama Code §35-8A-210 (1975). Any assurances made in this paragraph will only apply if the Developer adds additional Units to the Condominium.

4.08 Timing of Phase II. Notwithstanding anything contained in Section 4.05 to the contrary, the timing of the addition to the Condominium of Phase II, or any portion thereof, shall be in the sole and absolute discretion of the Developer, and the Developer makes no representations or warranties with respect thereto.

Article V Organization and Management

5.01 Management of the Condominium Property. The operation and administration of the Common Elements and the Condominium Property shall be performed by the Association. The powers and duties of the Association shall include those set forth in the Act, the Alabama Nonprofit Corporation Law, this Declaration, the Articles and the Bylaws.

5.02 Members. The Members of the Association shall constitute all record Owners of the Units. All present and future Owners, tenants and occupants of the Units shall be subject to and shall comply with the provisions of this Declaration, the Bylaws and the Rules and Regulations. The votes shall be cast in the manner provided in the Articles and Bylaws. Each Unit shall be allocated one (1) vote.

5.03 Bylaws. The Bylaws of the Association shall be in the form attached as Exhibit "B" to this Declaration, and made a part hereof for all purposes, and may be amended from time to time as set forth therein.

5.04 Voting Requirements. Notwithstanding anything contained herein to the contrary, unless a specific voting requirement in excess of a simple majority is required for either a vote of the Board of Directors or a vote of the Members, any such voting requirements shall be construed to require only a simple majority vote.

Article VI Assessments

6.01 Liability, Lien and Enforcement. The Association is given the authority to administer the operation and the management of the Common Elements and Condominium Property, it being recognized that the delegation of such duties to one entity is in the best interest of the Owners of all Units. To provide the funds necessary for such proper operation, the Association is hereby granted the right to make, levy, and collect assessments against the Owners of all Units to pay Common Expenses and such other expenses which the Association is authorized to incur under the terms and conditions of this Declaration. In furtherance of said grant of authority to the Association to make, levy and collect assessments to pay the costs and expenses for the operation and management of the Condominium Property, the following provisions shall be effective and binding upon the Owners of all Units.

6.02 Assessments. All assessments for the payment of Common Expenses shall be levied annually and paid monthly by the Owners of all Units, and unless specifically otherwise provided for in this Declaration, each Owner of a Unit and each Owner's Unit shall bear the same percentage share of such assessment as the percentage share of ownership for the undivided interest in the Common Elements; provided, however, the Developer and the Association shall have the right, but not the obligation, to elect not to make an assessment for Common Expenses or required reserves for such period of time as they shall choose, subject to the provisions of Section 15.03(C) hereinbelow, upon condition that the Developer pay and guarantee all Common Expenses and required reserves incurred prior to making assessments therefor against Unit Owners. The assessments for Common Expenses shall be payable over the course of the year in advance in monthly installments commencing on the date of the purchase of a Unit or in such other installments and at such times as may be determined by the Board of Directors in accordance with the Association's Bylaws.

6.03 Required Reserve Funds and Working Capital Fund. Assessments levied by the Association shall include an adequate reserve fund for maintenance, repair and replacement of those Common Elements that must be replaced or repaired on a periodic basis, and may be payable in regular installments rather than by special assessments. Also, a working capital fund shall be established and each Unit Owner purchasing a Unit from the Developer shall pay a one (1) time assessment equal to two (2) months' assessment of Common Expenses at the time of closing the purchase by each Owner of a Unit to be used by the Association as working capital, the balance of which shall be transferred to a segregated fund upon Developer's transfer of control of the Association to the Unit Owners. The Developer is prohibited from using the working capital funds to defray any of its expenses, including, without limitation, reserve contributions required by applicable law, if any, construction costs or any amounts necessary to make up any budget deficits while it is in control of the Association. When unsold Units are sold by the Developer, the Developer may reimburse itself for funds it paid the Association for an unsold Unit's share of the working capital fund by using funds collected at closing when such Unit is sold.

6.04 Annual Budget. Within ninety (90) days prior to the beginning of each fiscal year of the Association, the Board of Directors shall adopt a proposed annual budget for the next fiscal year, and such budget shall project the amount of funds for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium Property, including reasonable allowances for contingencies and reserves therefor if the Board of Directors shall so provide, in accordance with the Act and this Declaration. Said budget shall take into account any projected anticipated income which is to be applied in reduction of the amounts required to be collected as an assessment each year. Within thirty (30) days after adoption of such annual budget by the Board of Directors, copies of said budget shall be made available to each Member. The Board of Directors shall set a date for a meeting of the Members to consider ratification of the budget not less than fourteen (14) nor more than thirty (30) days after mailing or delivering the budget to the Members. Unless at such meeting a majority of the Members present in person or by proxy reject the budget, the budget is deemed

ratified. In the event the proposed budget is rejected, the budget for the preceding year shall continue in effect until such time as a new budget is ratified. If the budget is ratified, the assessment for said year shall be established based upon such budget. Should the Board of Directors at any time determine in the sole discretion of said Board of Directors that the assessments levied are or may prove to be insufficient for any reason including emergencies and nonpayment of any Owner's assessment, the Board of Directors shall have the authority to levy such additional assessments as it shall deem necessary in accordance with the applicable provisions of the Condominium Documents and the Act.

6.05 Omission of Assessment. The omission by the Association, before the expiration of any year, to fix the assessments for that or the next year shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay assessments or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed.

6.06 Detailed Records. The Association shall keep detailed, accurate records in chronological order of the receipts and expenditures affecting the Common Elements, specifying and itemizing the maintenance and repair expenses of the Common Elements and any other expenses incurred. Records and vouchers authorizing the payments, together with other books, records and financial statements of the Association shall be available for examination by any Member or Member's representative, or by holders, insurers and guarantors of Mortgages secured by Units, during regular business hours in a location designated by the Board of Directors in Lee County, Alabama.

6.07 Share of Common Expenses. Each Unit Owner shall be assessed and is individually liable for a proportionate share of the Common Expenses with each Unit Owner's proportionate share of Common Expenses being the same percentage as the Unit Owner's ownership interest in the Common Elements as set forth on Exhibit "D" attached hereto.

6.08 Payment of Common Expenses. All Unit Owners shall be obligated to pay the assessment for Common Expenses adopted by the Board of Directors pursuant to the terms of this Declaration. No Unit Owner may be exempted from liability for such Unit Owner's contribution toward Common Expenses by waiver of the use or enjoyment of any of the Common Elements or by abandonment of an Owner's Unit. No Unit Owner shall be liable for the payment of any part of the Common Expenses assessed against such Owner's Unit subsequent to a sale or other conveyance by the Owner of such Unit. The purchaser of a Unit shall be jointly and severally liable with the selling Unit Owner for all unpaid assessments against such Unit up to the time of conveyance without prejudice to the purchaser's right to recover from the selling Unit Owner the amounts paid by the purchaser therefor. Whenever any Unit may be sold or mortgaged by the Owner thereof, which sale shall be concluded only upon compliance with the other provisions of this Declaration, the Association, upon written request of the Owner or purchaser of such Unit, shall furnish to the Owner, the purchaser or any proposed Mortgagee (within the time period prescribed by

the Act) a statement verifying the status of the payment of any assessment which shall be due and payable to the Association by the Owner of such Unit and the other information required by the Act. Any purchaser or proposed Mortgagee may rely upon such statement in concluding the proposed purchase or mortgage transaction, and the Association shall be bound by such statement. In the event that a Unit is to be sold or mortgaged when any assessment is outstanding against the Owner of such Unit and such assessment due the Association is in default, the purchase or mortgage proceeds shall first be applied by the purchaser or Mortgagee to the payment of any delinquent assessment or installment due the Association before application of the payment to the selling Unit Owner.

6.09 Default in Payment of Assessments. The obligation to pay any assessment or installment thereof due the Association shall be in default if such Assessment or any installment thereof is not paid to the Association on or before the due date for such payment. When in default, the delinquent assessment or delinquent installment due the Association shall bear interest at the rate established by the Board of Directors, not to exceed the maximum interest rate per annum allowed by law, until such delinquent assessment or installment and all interest due thereon has been paid in full. The Association shall have a lien against Units for delinquent assessments. Said lien shall secure and does secure the monies due for all assessments then or thereafter levied against the Owner of each Unit, and such lien shall also secure interest, if any, which may be due on the amount of any delinquent assessment owing the Association. Said lien shall also secure all costs and expenses, including late penalties and reasonable attorneys' fees and court costs incurred by the Association in collecting delinquent assessments and enforcing the same upon said Unit and its appurtenant undivided interest in the Common Elements. The lien granted to the Association may be foreclosed in the same manner as real estate mortgages in the State of Alabama. The lien granted to the Association shall further secure such advances for taxes and payment on account of superior mortgages, liens or encumbrances which may be required to be advanced by the Association in order to protect and preserve its lien, and the Association shall further be entitled to interest at the maximum legal rate on judgments or the rate established by the Board of Directors, whichever is less, on any such advance made for such purpose. All persons, firms or corporations who shall acquire, by whatever means, any interest in the ownership of any Unit or who may be given or acquire a mortgage, lien, or other encumbrance thereon are hereby placed on notice of the lien rights granted to the Association and such interest in any Unit shall be acquired expressly subject to the lien. The lien herein granted to the Association shall be effective from and after the time of the recording of this Declaration in the Real Property Records, and no further recordation of any claim of lien for assessment under this section is required. Such lien shall include only assessments which are due and payable when the action to enforce the lien is commenced plus late penalties and penalties imposed by the Association for violations of the Rules and Regulations, interest, costs, reasonable attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided.

6.10 Election of Remedies. Institution of a suit at law to collect payment of any delinquent assessments shall not be deemed to be an election by the Association which

shall prevent its thereafter seeking enforcement of the collection by foreclosure of any sums remaining owing to it, nor shall proceeding by foreclosure to effect such collection be deemed to be an election precluding the institution of a suit at law to collect any sum then remaining owing to the Association. The Association shall be entitled to bid at any sale held in connection with the foreclosure of the assessment lien and may apply as a cash credit against its bid all sums secured by the lien enforced.

Article VII
Maintenance and Operation of the Condominium Property

7.01 Association's Obligation to Repair. The Association acting through the Board of Directors shall be responsible for the maintenance, repair and replacement of the following, the costs of which shall be charged to all Unit Owners as a Common Expense:

(A) the Common Elements which by definition excludes the surfaces of all interior walls, floors, ceilings, entrance doors, and windows of the Units (except the painting of the exterior faces of the exterior doors, window frames, or shutters, which shall be the responsibility of the Association); and

(B) incidental damage caused to a Unit by any work done by the Association;

(C) portions of all Units contributing to the support of the building, the outside walls and load bearing columns, excluding, however, interior wall and floor surfaces.

7.02 Damage Caused by Unit Owner, Tenant, Etc. Nothing in this Article VII shall relieve a Unit Owner of liability for damage to the Common Elements caused by the Unit Owner, the Unit Owner's family members, guests, invitees, lessees or licensees as a consequence of the negligence, recklessness or willful misconduct of such person. The cost of repair for any damage so caused by the Unit Owner, the Unit Owner's family members, guests, invitees, lessees or licensees shall be a special assessment against the Unit Owner responsible therefor.

7.03 Owner's Obligation to Repair.

(A) Except for those portions of the Condominium Property which the Association is required to maintain and repair, each Owner shall, at such Owner's expense, maintain such Owner's Unit, and all components thereof, in good and tenantable condition and repair, and shall be responsible for the repair, maintenance and replacement, if necessary, of the following items in such Owner's Unit:

(1) fixtures and equipment in such Owner's Unit, including the refrigerator, stove and all other appliances within the Unit; drains, sinks, plumbing and plumbing fixtures, and connections within the Unit; electrical

panels, wiring, outlets, and electrical fixtures within the Unit; interior doors, window frames, screening and glass; all exterior doors (except the painting of the exterior faces of the exterior doors and window frames which shall be the responsibility of the Association); all wall coverings including paint, wallpaper and light fixtures; and all flooring including carpeting, vinyl and ceramic tile within a Unit; and

(2) plumbing, hot water heater, heating, air conditioning and electrical systems serving only that Unit, whether located within or without said Unit, including the fuse boxes, wiring, flues, and all other plumbing, electrical, gas or mechanical systems serving only that Unit.

In the event any such system or a portion thereof is within another Unit or requires access to another Unit, the repair, maintenance or replacement thereof shall be performed by the Association, and the cost thereof shall constitute an assessment against the Unit Owner responsible therefor.

(B) Each Unit Owner agrees as follows:

(1) to perform all applicable maintenance, repairs and replacements which are the Unit Owner's obligations under subparagraph (A) of this Section;

(2) to pay all utilities as herein provided and all taxes levied against the Owner's Unit;

(3) not to make or cause to be made repairs to any plumbing, electrical, heating, ventilation or air conditioning system located outside the Owner's Unit, but required to be maintained by such Unit Owner elsewhere herein, except by licensed plumbers or electricians authorized to do such work by the Association or its delegate;

(4) not to make any addition or alteration to such Unit Owner's Unit or to the Common Elements or to do any act that would impair the structural soundness, safety or overall design scheme of any part of the Condominium Property or that would impair any easement or right of a Unit Owner or the Developer without the prior written consent of the Association and all Unit Owners affected thereby.

(5) not to make any alteration, addition, improvement, decoration, repair, replacement or change to the Common Elements, or to any outside or exterior portion of the Unit, excluding any alteration or addition made pursuant to the procedure described in subparagraph (4) above and including, but not limited to, altering in any way exterior doors, windows, or the exterior faces of the exterior doors or windows, affixing

outside shutters to windows or painting any part of the exterior of an Owner's Unit, without the prior written consent of the Association; provided that if such consent is granted, the Unit Owner shall use only a contractor approved by the Association, who shall comply with the Rules and Regulations with respect to the work which may be approved by the Association, and the Unit Owner shall be liable for all damages to another Unit or to the Common Elements caused by any contractor employed by such Unit Owner or by the subcontractors or employees of such contractor, whether said damages are caused by negligence, accident, or otherwise; and

(6) to promptly report to the Association any defects or needed repairs for which the Association is responsible.

(C) The Association shall be obligated to answer any request by a Unit Owner for any required approval of a proposed addition, alteration or improvement (by painting or otherwise) within forty-five (45) days after such request, but its failure to do so within the stipulated time shall not constitute the consent of the Association to the proposed addition, alteration or improvement. Any application to any governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Association, without, however, its incurring any liability on the part of the Board of Directors or any one (1) of them or the Association to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim of injury to a person or damage to property arising therefrom. The review by the Association under this Section shall in no way make the Association liable for any alterations, additions, or improvements by any Unit Owner. Rather, such review is for purposes of aesthetics and control only. The provisions of this Section shall not apply to Units owned by the Developer until a deed for such Unit has been delivered to a purchaser other than the Developer.

7.04 Alterations, Additions and Improvements by the Association. Except in the case of loss or damage to the Common Elements as contemplated by Article X of this Declaration, the Association shall not make any material structural alterations, capital additions or capital improvements to the Common Elements (other than for the purpose of replacing, restoring or rehabilitating portions of the Common Elements which is in accordance with this Declaration and which does not require an expenditure of more than Fifty Thousand and No/00 Dollars (\$50,000.00), exclusive of any funds applied from the reserves maintained hereunder) unless the same is authorized by the Board of Directors and ratified by the affirmative vote of the voting Members casting not less than sixty percent (60%) of the total votes of the Members of the Association present at any regular or special meeting of the Members called for that purpose at which a quorum is present and approved by a majority of the Mortgagees eligible to vote therefor. The cost of such alterations, deletions and improvements shall be assessed against the Owners of Units as provided herein, except as otherwise provided in this Section. Where any alterations or additions as aforesaid are exclusively or substantially exclusively for the benefit of the Unit

Owners requesting the same, then the cost of such alterations or additions shall be assessed against and collected solely from the Unit Owners exclusively, or substantially exclusively, benefiting therefrom, and the assessment shall be levied in such proportions as may be determined to be fair and equitable by the Board of Directors in the exercise of its sole and absolute discretion. Where such alterations or additions exclusively, or substantially exclusively, benefit Unit Owners requesting the same, said alterations and additions shall be made only when authorized by the Board of Directors, ratified by not less than sixty percent (60%) of the total votes of the Members present at any regular or special meeting of the Members called for that purpose at which a quorum is present, approved by a majority of the Mortgagees present in person or via proxy and eligible to vote therefor and also ratified by not less than sixty percent (60%) of the total votes of the Members exclusively, or substantially exclusively, benefiting therefrom. Alterations, improvements or repairs of an emergency nature may be made upon authorization by a vote of the majority of the Directors available for consultation if the same is necessary and in the best interest of the Members.

7.05 Utilities. Each Unit Owner shall be required to pay all charges for utilities, including but not limited to electricity, gas, cable television, internet, and telephone service, used or consumed in an Owner's Unit. The utilities serving the Common Elements only, together with any other utilities, determined by the Board, from time to time, to be provided to all Unit Owners shall be separately metered or charged and paid by the Association as a Common Expense.

Article VIII **Restrictions on Use**

8.01 Rules and Regulations. The Association is authorized to promulgate, amend and enforce the Rules and Regulations provided the Rules and Regulations are not contrary to or inconsistent with the Act and the Condominium Documents. A copy of the Rules and Regulations shall be furnished by the Board of Directors to each Unit Owner prior to the time they become effective. All present and future Unit Owners, tenants, occupants, and any person who uses any part of the Condominium Property in any manner, are subject to, and shall comply with the provisions of the Condominium Documents and the Rules and Regulations. The acquisition, rental or occupancy of a Unit or the use of any part of the Condominium Property by any one (1) person shall constitute such person's agreement to be subject to and bound by the provisions of the Condominium Documents, and such provisions shall be deemed to be enforceable as equitable servitudes and covenants running with the Land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated in full in each and every deed of conveyance or lease thereof. The Association may promulgate enforcement provisions for violation of any Rule or Regulation by an Owner, an Owner's family members, guests, invitees, lessees or renters, including the payment of penalties for such violations, and, to the extent permitted by the Act, the Association shall have a lien against the Owner's Unit for any unpaid penalties.

8.02 Restrictions on Use. The use of the Condominium Property is subject to the following restrictions:

(A) Each Unit is hereby restricted to residential use and the parking spaces located upon the Common Elements shall be used exclusively for the parking of passenger automobiles (including sport utility vehicles, pick-up trucks and similar vehicles).

(B) There shall be no obstruction of the Common Elements, nor shall anything be placed, kept or stored in the Common Elements, nor shall anything be constructed on or planted in or removed from the Common Elements, nor shall the Common Elements in any other way be altered without the prior written consent of the Association. Blinds or shutters located on the exterior of a Unit may not be painted or altered by the Unit Owner.

(C) No immoral, improper, offensive or unlawful use shall be made of any Unit or Common Elements, or any part thereof, and all laws, zoning ordinances and regulations of all governmental authorities having jurisdiction over the Condominium Property shall be observed.

(D) No Owner shall permit anything to be done or kept in an Owner's Unit or in the Common Elements which will result in any increase of fire or hazard insurance premiums or the cancellation of insurance on any part of the Condominium Property, or which would be in violation of any law. No waste shall be committed to the Common Elements.

(E) No sign of any kind shall be displayed to the public view on or from any part of the Condominium Property, without the prior written consent of the Board of Directors, except signs temporarily used by the Developer in the selling or leasing of the Units.

(F) No noxious or offensive activities shall be carried on, nor shall any outside lighting or sound speakers or other sound producing devices be used, nor shall anything be done, on any part of the Condominium Property which, in the judgment of the Board of Directors, may be or become an unreasonable annoyance or nuisance to the other Owners.

(G) No Owner shall cause or permit anything to be placed on the outside walls of an Owner's Unit, and no sign, awning, canopy, window air conditioning unit, shutter, or other fixture shall be affixed to or placed upon the exterior walls, balconies or roof of any building or any part thereof, without the prior written consent of the Board of Directors.

(H) No flags, clothes, sheets, blankets, towels, laundry of any kind or other articles shall be hung out or exposed on any portion of the Common Elements

or within a Unit (including patios and porches) if the same can be seen from the exterior of the Unit. The Common Elements shall be kept clear of rubbish, debris and other unsightly materials.

(I) No waterbed shall be placed or utilized in any Unit.

(J) No radio or television antenna or satellite dish shall be attached to or hung from the exterior of any Unit, except strictly in accordance with the Rules and Regulations.

(K) No one shall use or permit to be brought into any Unit or upon any of the Common Elements any flammable oils or fluids such as gasoline, kerosene, naphtha or benzene, or other explosives or articles deemed hazardous to life, limb or property, without the written consent of the Board of Directors.

(L) No Owner or occupant residing within a Unit may conduct any business, trade, garage sale, moving sale, rummage sale, or similar activity at or about the Condominium, whether within a Unit or otherwise, except that an Owner or occupant residing in a Unit may conduct business activities within the Unit so long as: (i) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Unit; (ii) the business activity conforms to all zoning and other legal requirements for the Condominium; (iii) the business activity does not involve door-to-door solicitation of residents of the Condominium; (iv) the business activity does not, in the Board's reasonable judgment, generate a level of vehicular or pedestrian traffic or a number of vehicles being parked in the Condominium which is noticeably greater than that which is typical of Units in which no business activity is being conducted; and (v) the business activity is consistent with the residential character of the Condominium and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Condominium, as may be determined in the sole discretion of the Board. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether (i) such activity is engaged in full or part-time, (ii) such activity is intended to or does generate a profit, or (iii) a license is required. Leasing or rental of a Unit shall not be considered a business or trade within the meaning of this subsection. This subsection shall not apply to any activity conducted by Developer with respect to its development and sale of the Condominium or its use of any Units which it owns within the Condominium, including the operation of model Units and/or a sales office.

(M) No animal or pet shall be kept for commercial purposes, nor be allowed to create or cause any disturbance or nuisance of any kind as determined by the Board of Directors in the exercise of its sole discretion, and if an animal or pet does cause or create a nuisance or an unreasonable disturbance, said animal or pet shall be permanently removed from the Condominium Property within seven (7) days from the date the Owner receives written notice from the Board of Directors to remove such animal or pet. The Owner of any pet or animal shall be liable for any and all damage caused by such animal or pet to any part of the Condominium Property. Notwithstanding the foregoing, no potbellied pigs, venomous snakes, pit bull dogs, chows, rottweilers or doberman pinschers may be brought onto or kept on the Condominium Property at any time. In addition, other animals determined in the Board's sole discretion to be dangerous or a nuisance shall not be brought onto or kept on the Condominium Property at any time.

(N) No structure of a temporary character, trailer, tent, shack, carport, garage, barn or other outbuilding shall be erected by any Owner, other than the Developer, on any portion of the Condominium Property, at any time, either temporarily or permanently, without the prior written approval of the Board.

(O) The display or discharge of firearms or fireworks on the Common Elements is prohibited; provided, however, that the display of lawful firearms on the Common Elements is permitted by security personnel and law enforcement officers and also is permitted for the limited purpose of transferring firearms across the Common Elements to or from an Owner's Unit. The term "firearms" includes "B-B" guns, pellet guns and other firearms of all types, regardless of size.

(P) Unit Owners shall not remove, paint or change the appearance of the original, standard equipment, interior blinds placed in the Units by Developer except as necessary for routine repair or maintenance and, should replacement thereof be necessary, such blinds shall be replaced by the Unit Owner with blinds of the same size, quality, color and material as the original blinds. Use of (i) foil, bed sheets, flags and other similar unsightly non-traditional window treatment materials, and (ii) neon or flashing signs and advertising signs, on the inside of windows is strictly prohibited.

(Q) Unit Owners shall keep their hot water heater on and operational at all times regardless of whether said Unit Owner's Unit is occupied.

(R) No charcoal or gas grills are allowed at the Condominium.

(S) No colored light bulbs may be placed in any balcony/patio or other light fixture that is visible from the outside of any building containing a Unit.

8.03 Lease of Units. Entire Units may be leased by the Unit Owners; provided, however, that any such lease and the rights of any tenant thereunder are hereby made

expressly subject to the power of the Association to prescribe reasonable rules and regulations relating to the lease and rental of Units and to enforce the same directly against such tenant or other occupant by the exercise of such remedies as the Board deems appropriate; provided, however, that no restrictions shall be imposed which shall have the individual or cumulative effect of prohibiting or materially impairing the rental or lease of Units. Further, all leases must be in writing, with a copy provided to the Association upon request by the Association. These restrictions on use shall be a covenant running with each Unit, creating a burden on each single Unit and Unit Owner for the benefit of every other Unit and Unit Owner. Notwithstanding anything contained in this Section 8.03 to the contrary, each Owner shall be responsible for the actions of his tenants and nothing herein or in any such lease shall relieve an Owner of his obligations under the Condominium Documents. Each Unit Owner who has or who shall lease his Unit irrevocably empowers and authorizes the Association or its managing agent to enforce the Rules and Regulations and to terminate the lease of and evict any tenant who fails to comply with said rules or who provides other sufficient cause for termination of the lease and eviction in accordance with the laws of the State of Alabama, the Condominium Documents, or any contract for lease. The Association, the Board or its managing agent shall not become liable to any Unit Owner or sublessor or other party for any loss of rents or other damages resulting from the reasonable exercise of the provisions of this Section. The provisions of this Section shall not be applicable to the Developer who is irrevocably empowered without any limitation at all times, whether for permanent or temporary occupancy to sell, lease or rent Units for any period and under any terms to any lessees or purchasers or transferees with the right to take any action necessary to consummate the sale or rental of said Units, including, but not limited to, the right to maintain model Units, post signs, have employees in the offices maintained in the Condominium buildings, use the Common Elements and show Units to prospective tenants.

8.04 No Right to First Refusal. The right of a Unit Owner to sell, transfer, or otherwise convey his or her Unit shall not be subject to any right of first refusal or similar restriction in favor of Developer.

8.05 Right of Access. Each Unit Owner grants a right of access to such Owner's Unit to the Association, and to any other person authorized by the Association for the purpose of making inspections and for the purpose of correcting any condition originating in any Owner's Unit and threatening other Units or Common Elements or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements within an Owner's Unit, if any, or to correct any condition which violates the provisions of any Mortgage covering another Unit, or to enforce any provision of the Condominium Documents, provided that requests for entry are made in advance and that such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency, such right of entry shall be immediate whether the Unit Owner is present at the time or not. Each Unit Owner further grants a right of access to such Owner's Unit to the Developer and/or the Developer's agent for the purpose of making all repairs required by any warranty delivered to the Unit Owner at the closing of the sale of an Owner's Unit. To the extent that damages inflicted on the Common Elements or any Unit through which

access is taken, the Unit Owner or the Association, if it causes the same, shall be liable for the prompt repair thereof.

8.06 Limitation of Liability. The Association shall not be liable for any failure of water or power supply, telephone or other service to be obtained by the Association or paid for out of the Common Expense funds or problems resulting from the operation or lack of operation of sewer lines or any other utility servicing the Condominium Property, or for injury or damage to a person or property caused by the natural elements or resulting from electricity, water, snow or ice which may leak or flow from any portion of the Common Elements, or from any wire, pipe, drain, conduit, appliance or equipment. The Association shall not be liable to the Owner of any Unit for the loss or damage, by theft or otherwise, of articles which may be stored upon any of the Common Elements. No diminution or abatement of the Common Expense assessments, as herein elsewhere provided, shall be claimed or allowed for any reason, except by action taken by the Board of Directors in accordance with the Bylaws.

8.07 Abatement of Violations. The violation of any Rule or Regulation adopted by the Board of Directors or breach of the provisions of the Condominium Documents, shall give the Developer, the Association, or any Unit Owner the right, in addition to any other right or remedy elsewhere available, to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach. All expenses of such actions or proceedings against a defaulting Unit Owner, including court costs, attorneys' fees and other fees and expenses, and all damages, liquidated or otherwise, together with interest thereon at the highest lawful rate on judgments until paid, shall be charged to and assessed against such defaulting Owner, and the Association shall have a lien for all of the same upon the Unit of such defaulting Owner, upon all of such defaulting Owner's additions and improvements thereto and a security interest under the Alabama Uniform Commercial Code upon all of such defaulting Owner's personal property in such defaulting Owner's Unit or located elsewhere on the Condominium Property. Nothing herein contained shall prevent an Owner from maintaining such an action or proceeding against the Association and the expense of any action to remedy a default of the Association shall be a Common Expense if a court of competent jurisdiction finds the Association to be in default as alleged in such action or proceeding.

8.08 No Waiver of Remedies. Failure of the Association to insist in any one or more instances upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment from the future performance of such term, covenant, condition or restriction, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of any assessment from an Owner with knowledge of the breach of any covenant hereof shall not be deemed to be a waiver of such breach and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Board of Directors.

Article IX
Rights of Mortgagees

9.01 Notification of Mortgagees Required. Any Mortgagee who properly notifies the Association in accordance with the terms of Section 9.04 hereof shall have the right to be given written notification by the Association of (a) any sixty (60) day default by the Owner of the Unit covered by the Mortgage in the payment of assessments or in any other provision of the Condominium Documents; (b) any loss to or taking of the Common Elements if such loss or taking, should in the opinion of the Board, be estimated to exceed Ten Thousand and No/100 Dollars (\$10,000.00); (c) damage to a Unit covered by the Mortgage if the amount of such damage exceeds Ten Thousand and Noll 00 Dollars (\$10,000.00); (d) any condemnation of all or a portion of the Condominium Property; (e) a lapse or cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and (f) any proposed action that requires the consent of a specified percentage of Mortgagees.

9.02 Right of Inspection. Mortgagees shall have the right to examine the books and records of the Association or the Condominium Property and to receive annual reports, other financial data, and, upon Mortgagee's request, a copy of the annual compiled statement, if any, within one hundred twenty (120) days following the end of any fiscal year of the Association.

9.03 Priority of Mortgagees.

(A) Any lien which is or may be created hereunder upon any Unit, including, but not limited to, the lien created for assessments herein and the right to foreclose the same is and shall be subject and subordinate to and shall not affect the rights of the holder of the indebtedness secured by any Mortgage upon such interest made in good faith and for value and recorded prior to the creation of the lien hereunder, provided that after the foreclosure of any such Mortgage there may be a lien created pursuant to this Declaration on the interest of the purchaser as an Owner after the date of such foreclosure sale to secure all assessments hereunder. After the date of such foreclosure sale, said lien, if any, shall be claimed and shall have the same effect and be enforced in the same manner provided herein. Notwithstanding the foregoing, the lien created pursuant to this Declaration is prior to any Mortgage to the extent of the Common Expense assessments based on the annual budget which would have become due in absence of acceleration during the six (6) months immediately preceding institution of an action to enforce the lien.

(B) No provision of this Declaration, the Articles, the Bylaws or the Rule and Regulations shall be construed to grant to any Unit Owner, or to any other party any priority over any rights of the Mortgagees of the Units pursuant to their Mortgages in the case of distribution to Unit Owners of the insurance proceeds or condemnation awards for losses or a taking of Units or the Common Elements, or any portion thereof.

(C) As provided in the Act, all assessments, property taxes and other charges imposed by any taxing authority which may become liens prior to a Mortgage, shall be separately assessed against and collected on each Unit as a single parcel, and not on the Condominium Property as a whole.

(D) No breach of the covenants, conditions or restrictions herein contained shall defeat or render invalid the lien of any Mortgage made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or otherwise.

9.04 Request for Protection by Mortgagees. Whenever any Mortgagee desires the benefit of the provisions of this Article to be applicable to such Mortgagee, the Mortgagee shall serve written notice of such fact upon the Association, by registered or certified mail, addressed to the Association, and actually mailed to the Association's address, identifying the Unit upon which it holds a Mortgage or identifying any Units owned by it, together with sufficient pertinent facts to identify any Mortgage which may be held by the Mortgagee, Said notice shall designate the place to which the notices are to be given by the Association to such Mortgagee.

Article X Casualty Loss and Insurance

10.01 Responsibility of Owners; Separate Insurance Coverage.

(A) The Owner of each Unit shall be responsible for, at the Unit Owner's expense, obtaining insurance coverage for loss of or damage to the Owners' Unit, and all components thereof, any furniture, furnishings, decorations, personal effects, and other property belonging to such Owner, and shall, at the Unit Owner's expense, obtain insurance coverage against personal liability for injury to the person or property of another while within such Owner's Unit or upon the Common Elements. Risk of loss of or damage to any furniture, furnishings and personal property belonging to or carried on the person of the Owner, or which may be stored in any Unit, or in or upon Common Elements, shall be borne by the Owner of each Unit. All insurance obtained by the Owner of each Unit shall, whenever such provisions shall be available, provide that the insurer waives its right of subrogation as to any claims against other Owners, the Association or the Developer, and their respective servants, agents, employees and guests.

(B) Any Owner who obtains an individual insurance policy covering any portion of the Condominium Property other than property belonging to such Owner shall be required to file a copy of such individual policy or policies with the Association within thirty (30) days after the purchase of such insurance. In the event casualty insurance maintained by an Owner causes a decrease in the amount of the insurance coverage maintained by the Association for the benefit of all

Owners on a casualty loss to the Condominium Property by reason of proration or otherwise, the Owner so maintaining such insurance shall be deemed to have assigned to the Association the proceeds collected on such policy for loss or damage to the Condominium Property and such proceeds shall be paid directly to the Association by the insurer. Any such insurance proceeds shall be applied and distributed by the Association in accordance with this Article.

10.02 Insurance to be Maintained by the Association.

(A) Hazard Insurance. The Association shall obtain and maintain at all times a policy or policies of multi-peril type hazard insurance, including insurance for such other risks of a similar or dissimilar nature, as are or shall hereafter customarily be covered with respect to other condominium projects similar in construction, design, location and use, insuring the Condominium Property against loss or damage by the perils of fire, lightning and those perils contained in extended coverage, vandalism and malicious mischief endorsements. If the Condominium Property is located in an area identified by the Secretary of Housing and Urban Development as having special flood hazards, the Board shall, to the extent obtainable, insure the insurable property included in the Condominium Property against the perils of flood under the National Flood Insurance Act of 1968 and acts amendatory thereto. The amount of insurance coverage shall be determined on a replacement cost basis in an amount not less than one hundred percent (100%) of the then current replacement cost of the improvements, including fixtures, equipment and other personal property of the Association (but excluding land, foundations, excavations and other items usually excluded from such insurance coverage). Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Association or the Insurance Trustee (hereinafter defined), as trustee, for the use and benefit of the individual Owners (without naming them) in the proportionate shares equal to their respective percentage ownership of the Common. Periodically, prior to the renewal of any such policy or policies of insurance, the Association shall either (1) obtain an opinion from a qualified insurance appraiser, (2) obtain an appraisal from a qualified insurance appraiser, or (3) perform an analysis using an industry accepted valuation program (such as Marshall Swift), for the purpose of determining the full replacement cost of the Common Elements and the Units for the amount of insurance to be obtained pursuant hereto. The cost of any such opinion, appraisal or analysis shall be a Common Expense. All such policies of insurance shall comply with the provisions of this Article and shall (i) contain a standard mortgagee loss payable clause endorsement in favor of the Mortgagee or Mortgagees of each Unit, if any, as their respective interests may appear; and (ii) provide that the insurance shall not be invalidated by any act or neglect of any Owner.

(B) Public Liability and Property Damage Insurance. The Association shall obtain and maintain at all times a comprehensive policy or policies of public liability and property damage insurance in such amount, but not less than One

Million Dollars (\$1,000,000), and in such form as shall be required by the Association to protect said Association and the Owners of all Units, which provide coverage for bodily injury and property damage resulting from the operation, maintenance or use of the Common Elements and for legal liability resulting from employment contracts to which the Association is a party, and for claims against the officers and members of the Board of Directors for claims arising out of the negligent performance of their duties.

(C) Worker's Compensation Insurance. The Association shall obtain and maintain at all times a policy or policies of worker's compensation insurance to meet the requirements of the laws of the State of Alabama.

(D) Fidelity Bonds. The Association may obtain and maintain fidelity bonds for any person who either handles or is responsible for funds held or administered by the Association naming the Association as the obligee. The amount of the fidelity bond shall cover the maximum funds that will be in the custody of the Association, but not less than the sum of three (3) months' Assessments on all Units plus the reserve funds of the Association, if any.

(E) Other Insurance. The Association shall obtain and maintain such other insurance coverage as the Board of Directors, in its sole discretion, may determine from time to time to be in the best interest of the Association and the Owners of all Units.

10.03 Governing Provisions. All insurance obtained and maintained by the Association as provided above shall be governed by the following provisions:

(A) All policies shall (i) comply with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association as they shall apply to condominium loans; and (ii) be written with a company licensed to do business in the State of Alabama and holding a financial rating of "A-" or better by Best's Insurance Reports or other then comparable rating. To the extent that the provisions of this Declaration with respect to the maintenance of insurance shall conflict with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, then the requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association shall control and such requirements shall be complied with by the Association.

(B) Exclusive authority to adjust all claims under the policies hereafter in force on the Condominium Property or otherwise required hereunder shall be vested in the Association or its authorized representatives.

(C) In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with the insurance purchased by the individual Owners or their Mortgagees.

(D) The Association shall be required to make every effort to secure insurance policies that will provide for the following:

(1) A waiver of subrogation by the insurer as to any claims against the Association, the Board of Directors, the Developer or the Owners;

(2) An agreement by the insurer that the insurance coverage cannot be terminated or materially changed without thirty (30) days prior written notice to the Association, each Unit Owner, and the Mortgagee of each Unit to whom a certificate of insurance has been issued at such Mortgagee's last known address;

(3) The insurance coverage will be primary, even if a Unit Owner has other insurance that covers the same loss; and

(4) No act or omission by any Unit Owner, unless acting within the scope of such Unit Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy.

10.04 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense; except that the amount of increase over the usual premium occasioned by the use, misuse, occupancy or abandonment of a Unit or its appurtenances or of the Common Elements by an Owner shall be assessed against that Owner.

10.05 Insurance Trustee. The Association may engage the services of a bank or trust company authorized to do trust business in the State of Alabama and having a capital surplus of not less than Fifty Million Dollars (\$50,000,000) to act on its behalf as an insurance trustee ("Insurance Trustee") and to receive and disburse the insurance proceeds in accordance with the provisions of this Declaration. In the event the lower of two (2) bids from reputable contractors for making all repairs required by any such loss shall exceed One Hundred Thousand and No/100 Dollars (\$100,000.00), the Association upon written demand of the Mortgagee of any Unit shall engage the services of a bank or trust company to act as Insurance Trustee as aforesaid. The Association, as a Common Expense, shall pay a reasonable fee to said Insurance Trustee for its services rendered hereunder, and shall pay such costs and expenses as said Insurance Trustee may incur in the performance of any duties and obligations imposed upon it hereunder. Said Insurance Trustee shall be liable only for its willful misconduct, bad faith or gross negligence, and then for only such money which comes into the possession of said Insurance Trustee. Whenever the Insurance Trustee may be required to make a distribution of insurance proceeds to Owners of Units and their Mortgagees, as their respective interests may appear, or to any other party for

repair, replacement or reconstruction of property, the Insurance Trustee may rely upon a certificate of the President and Secretary of the Association, executed under oath, which certificate will be provided to said Insurance Trustee upon request made to the Association. Such certificate is to certify unto said Insurance Trustee the name of the Owner of each Unit, the name of the Mortgagee who may hold a Mortgage encumbering each Unit, and the respective percentages of any distribution which may be required to be made to the Owner of any Unit, and the Unit Owner's respective Mortgagee, as their respective interests may appear, or to certify the name of the party to whom payments are to be made for repair, replacement or reconstruction of all or a portion of the Condominium Property. The rights of the Mortgagee of any Unit under any standard mortgage clause endorsement to such policy shall, notwithstanding anything to the contrary therein or in any Mortgage contained, at all times be subject to the provisions hereof with respect to the application of insurance proceeds to reconstruction of the damaged Condominium Property; provided, however, that if the Association or the Insurance Trustee fails to perform all the conditions precedent required by the policy or policies of insurance, and fails to collect the amount of the loss within the time required by law, and the Mortgagee or Mortgagees are required to avail themselves of their rights under the standard mortgage clause to collect the proceeds of the policy or policies of insurance, any amount so collected through the efforts of said Mortgagee or Mortgagees shall be applied as directed by said Mortgagee or Mortgagees. No provision hereof shall entitle an Owner or any other party to any priority over a Mortgagee with respect to the distribution of any insurance proceeds with respect to such Unit.

10.06 Loss to Common Elements Only. In the event of the loss of or damage to only Common Elements, real or personal, by reason of fire or other casualties, which loss or damage is covered by fire and casualty insurance, the proceeds paid to the Association or the Insurance Trustee, as the case may be, to cover such loss or damage shall be applied by the Association to the repair, replacement or reconstruction of such loss or damage. If the insurance proceeds are in excess of the cost of the repair, replacement or reconstruction of such Common Elements, then such excess insurance proceeds shall be paid by the Insurance Trustee to the Owners of all Units, the distribution to be separately made to the Owner of each Unit and Unit Owner's respective Mortgagee, as their interests may appear, in such proportion that the share of such excess insurance proceeds paid to the Owner of each Unit and Unit Owner's Mortgagee shall bear the same ratio to the total excess insurance proceeds as the undivided interest in the Common Elements appurtenant to each Unit bears to the total undivided interest in the Common Elements appurtenant to all Units. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire and casualty, loss or damage payable to the Association or the Insurance Trustee are not sufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be so sufficient, then the Association shall pay, or shall deposit sufficient funds with the Insurance Trustee to completely pay for the repair, replacement or reconstruction of any loss or damage, as the case may be. The monies to be so paid, or deposited by the Association with the Insurance Trustee, may be paid by the Association out of its reserve or replacement fund and if the amount in such reserve or replacement fund is not sufficient, or if the Board of

Directors determines not to use such fund for said purpose, then the Association shall levy and collect an assessment against the Owners of all Units in an amount which shall provide the funds required to pay for said repair, replacement or reconstruction.

10.07 Loss to All Elements. In the event of loss of or damage to Common Elements, and/or any portion of any Unit by reason of fire or other casualty, which loss or damage is covered by fire and casualty insurance, the proceeds paid to the Association or Insurance Trustee, as the case may be, to cover such loss or damage, shall be first applied to the repair, replacement or reconstruction of the Common Elements, then to the repair, replacement or reconstruction of the Units sustaining any loss or damage, then such excess insurance proceeds shall be paid and distributed by the Association or Insurance Trustee, as the case may be, to the Owners of all Units, and to their Mortgagees, as their respective interests may appear. Such distributions are to be made in the manner and in the proportions as are provided for the distribution of insurance proceeds under this Article. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire and casualty loss or damage payable to the Association or the Insurance Trustee, as the case may be, are not sufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be sufficient, then the Board of Directors shall, based on reliable and detailed estimates obtained by it from competent and qualified parties, determine and allocate the cost of repair, replacement or reconstruction between the Common Elements and the Units sustaining any loss or damage. If the proceeds of said fire and casualty insurance, if any, are sufficient to pay for the repair, replacement or reconstruction of any loss of or damage to the Common Elements, but are not sufficient to repair, replace or reconstruct any loss of or damage to the Units sustaining damage, then the Association shall levy and collect an assessment from the respective Owners of the Units which sustained any loss or damage, and the assessment so collected from said Owners shall be deposited with the Insurance Trustee, if any, so that the sum shall be on deposit for the repair, replacement or reconstruction of all Common Elements and the Units. In said latter event, the assessment to be levied and collected from the Owner of each Unit sustaining loss or damage shall be apportioned between such Owners in such manner that the assessment levied against each Owner of a Unit shall bear the same proportion to the total assessment levied against all of said Owners of Units sustaining loss or damage as the cost of repair, replacement or reconstruction of each Owner's Unit bears to the cost applicable to all of said Units sustaining loss or damage. If the fire and casualty insurance proceeds, if any, payable to the Association or the Insurance Trustee in the event of the loss of or damage to Common Elements and the Units are not an amount which will pay for the complete repair, replacement or reconstruction of the Common Elements, it being recognized that such insurance proceeds are to be first applied to the payment for repair, replacement or reconstruction of said Common Elements before being applied to the repair, replacement or reconstruction of any Unit sustaining loss or damage, then the cost to repair, replace, or reconstruct said Common Elements in excess of available fire and casualty insurance proceeds shall be levied and collected as an assessment from the Owners of all Units in the same manner as would be levied and collected had the loss or damage sustained been solely to the Common Elements and the fire and casualty insurance proceeds been not

sufficient to cover the cost of repair, replacement or reconstruction. The cost of repair, replacement or reconstruction of each Unit sustaining loss or damage shall then be levied and collected by assessment of the Owners of the Units sustaining the loss or damage in the same manner as is above provided for the apportionment of such assessment between Owners of Units sustaining loss or damage.

10.08 Estimates of Repair; Plans and Specifications; Payment of Assessments. In the event of loss or damage to Condominium Property, the Association shall, within sixty (60) days after any such occurrence, if reasonably possible, obtain reliable and detailed estimates of the cost of restoring damaged property to a condition as good as that which prevailed before such loss or damage. The estimate of repair shall be based upon the plans and specifications of the original building as improved to the date of formation of the Condominium, or such other plans and specifications as may be approved by the Board of Directors, by all of the Owners of the damaged Units, and by not less than sixty percent (60%) of the Members including the Owners of damaged Units. The Association shall be appointed as attorney-in-fact for each Unit Owner for the purpose of representing the Unit Owners in any proceeding, negotiation, settlement, or agreement arising from any loss or damage to the Condominium Property. Such estimates are to contain and include the cost of any professional fees and premiums for such bonds as the Board of Directors may deem to be in the best interest of the membership of the Association. Whenever it shall appear that the insurance proceeds payable for such loss or damage will not be sufficient to defray the cost of repair, replacement or reconstruction thereof, the additional money required to completely pay for such repair, replacement or reconstruction of said loss or damage whether to be paid by all of the Owners of Units or only by the Owners of Units sustaining loss or damage, or both, as herein provided, shall be paid to the Association and deposited with the Insurance Trustee, if any. The Association shall give such Owners notice of such obligation as soon as the Association becomes aware of such obligation and such money shall be paid to the Association in accordance with the foregoing sentence not later than thirty (30) days from the date on which the Association or the Insurance Trustee, as the case may be, shall receive the monies payable from the policies of fire and casualty insurance.

Article XI Condemnation

11.01 Condemnation a Casualty Loss. The taking of a portion of a Unit or the Common Elements by eminent domain shall be deemed to be a casualty loss, and except as otherwise provided below, the awards for such taking shall be deemed to be proceeds from insurance on account of the casualty and shall be applied and distributed by the Association in accordance with the provisions of Article X. Even though the awards may be payable to the Owners, the Owners shall deposit the awards with the Association or Insurance Trustee as the case may be. In the event of failure to do so, at the discretion of the Board of Directors, a special assessment shall be made against a defaulting Owner in the amount of such defaulting Owner's award, or the amount of such award shall be set off against the sums hereinafter made payable to such Owner. If any Unit or portion thereof is made the

subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Mortgagee of such Unit shall be entitled to timely written notice of any such proceeding or proposed acquisition as provided herein, and no provision hereof shall entitle the Owner of such Unit or other party to priority over such Mortgagee with respect to the distribution of any award or settlement to the Owner of the Unit.

11.02 Partial Condemnation. In the event that the Condominium Property is not to be terminated in accordance with Article XII hereinbelow and one or more Units are taken in part, the taking shall have the following effects:

(A) If the taking reduces the size of a Unit and the remaining portion of that Unit can be made tenable, the award for the taking for a portion of the Unit shall be used for the following purposes in the order stated, and the following changes shall be affected in the Condominium Property:

(1) The Unit shall be made tenable.

(2) The balance of the award, if any, shall be distributed to the Owner of the Unit and the Mortgagee of the Unit, as their respective interests may appear.

(3) If the taking destroys or so reduces the size of a Unit so that it may not be made tenable, the award for the taking of the Unit shall be used for the following purposes in the order stated, and the following changes shall be affected in the Condominium Property:

(a) The market value of such Unit immediately prior to the taking, shall be paid to the Owner of the Unit and to each Mortgagee of the Unit, as their respective interests may appear.

(b) The remaining portion of such Unit, if any, shall become a part of the Common Elements and shall be placed in condition for use by all of the Owners, in the manner approved by the Board of Directors; provided, however, that if the cost of such work shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner required for further improvement of the Common Elements as provided herein.

(c) The shares in the Common Elements appurtenant to the Units which continue as a part of the Condominium Property shall be equitably adjusted to distribute the ownership to the Common Elements among the reduced number of Owners. This shall be done by recomputing the shares of such continuing Owners

in the Common Elements as percentages of the total of the shares of such Owners as they exist prior to the adjustment.

(d) If the amount of the award for taking is not sufficient to pay the market value of the condemned Unit to the Owner and to restore the remaining portion of the Unit in condition for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by assessments against all of the Owners who will continue as Owners of the Units after the changes in the Condominium Property effected by the taking. Such assessment shall be made in proportion to the share of such Owners in the Common Elements after the changes effected by the taking.

(B) If the market value of a Unit prior to the taking cannot be determined by agreement between the Owner, the Mortgagee and the Association within thirty (30) days after notice by any such party that an agreement cannot be reached, such value shall be determined by three (3) independent qualified appraisers with one (1) appraiser to be selected by the Association, one (1) appraiser to be selected by the Owner and Mortgagee, and the third (3rd) appraiser to be selected by the two (2) appraisers so appointed, and the fair market value of the Unit shall be deemed to be the average of the two (2) appraisals of the fair market value of the Unit made by said appraisers having the least difference in amount. The cost of such appraisal shall be assessed against all Owners in the shares of the Owners in the Common Elements as they existed prior to the changes effected by the taking.

(C) Changes in the Units and/or in the Common Elements, in the ownership of the Common Elements and in the shares of liability for Common Expenses which are effected by eminent domain, shall be evidenced by an amendment of this Declaration which is approved by the Board of Directors in accordance with this Declaration and the Association's Bylaws.

11.03 Association Appointed as Attorney-In-Fact for Unit Owners. The Association is hereby appointed as attorney-in-fact, coupled with an interest, for each Unit Owner for the purpose of representing such Unit Owners in any proceeding, negotiation, settlement or agreement arising from the condemnation or taking by eminent domain of the Condominium Property or any portion thereof.

Article XII
Termination

12.01 Destruction of the Condominium Property.

(A) Notwithstanding anything to the contrary contained in this Declaration, if the Board of Directors shall determine that either of the following conditions exist:

(1) two-thirds (2/3) or more of the Units in the Condominium Property shall have been destroyed or substantially damaged by fire, wind, water, or other natural causes, or a combination of such, (including condemnation); or

(2) the Condominium Property has been in existence in excess of fifty (50) years after the date of this Declaration shall have been executed and substantially all of the Units in the structure have substantially deteriorated and have been rendered substantially obsolete; then the Board of Directors may call a meeting of the Members to consider and vote upon whether to restore, repair and/or rebuild the Condominium Property, and if not, whether to terminate this Declaration and remove the Condominium Property from the provisions of the Act. If approved by the affirmative vote of at least eighty percent (80%) of the Owners of all Units (based upon one vote for each Unit) and by at least eighty percent (80%) of all Mortgagees (based upon one vote for each Mortgage owned) after notice given as provided herein, this Declaration and plan of condominium ownership established herein shall be subject to termination as provided in the Act and the Association shall be authorized to file on behalf of and in the name of the Unit Owners and shall file a petition for such termination and removal with the Circuit Court of Lee County, Alabama. If less than eighty percent (80%) of the Owners of all Units and/or less than eighty percent (80%) of the Mortgagees vote in favor of terminating the Condominium Property as herein required, the Condominium Property shall be restored, repaired and/or rebuilt in accordance with these provisions.

(B) In the event that the Circuit Court of Lee County, Alabama, shall grant the petition for termination of this Declaration and the plan of condominium ownership as provided in subparagraph (A) above, all of the Owners of Units shall be and become tenants in common as to ownership of the Land and any then remaining improvements thereon. The undivided interest in the Land and remaining improvements held by the Owner of each Unit shall be the same as the undivided interest in the Common Elements which were formerly appurtenant to such Unit, and the lien of any Mortgage or other encumbrance upon each Unit shall attach to the percentage of undivided interest of the Owner of a Unit in the Land and then remaining improvements as above provided. Upon termination of this Declaration

and the plan of condominium ownership established herein, the Owners of all Units still habitable shall within sixty (60) days from the date of the granting of the petition, deliver possession of their respective Units to the Association. Upon such delivery of possession, the Owners of habitable Units and their respective Mortgagees, as their interests may appear, shall become entitled to participate proportionately together with all Owners of uninhabitable Units in the distribution of proceeds in the possession of the Association or the Insurance Trustee. Upon such termination of this Declaration and the plan of condominium ownership established herein, the Association or the Insurance Trustee, as the case may be, shall distribute any insurance proceeds which may be due under any policy of casualty insurance to the Owners of the Units and their mortgagees as their respective interests may appear, such distribution to be made to the Owner of each Unit in accordance with such Owner's then undivided interest in the Land and remaining improvements as therein provided. The Land and any remaining improvements thereon shall be subject to all easements of record, except the easements created in the Condominium Documents. The assets of the Association upon termination of the plan of condominium ownership created by this Declaration shall then be distributed to the Owner of each Unit and Unit Owner's Mortgagee, as their respective interest may appear, in the same manner as is above provided for the distribution of any final insurance proceeds.

12.02 Termination by Consent. Except in the event this Declaration and the plan of condominium ownership established hereby is terminated as provided above, this Declaration may only be otherwise terminated by the consent of eighty percent (80%) of the Owners of all Units and all parties holding Mortgages, liens or other encumbrances, against any of said Units, in which event the termination of the Condominium Property shall be by such plans as may be then unanimously adopted by said Owners and parties holding any Mortgages, liens or other encumbrances so voting to terminate. Such election to terminate this Declaration and the plan of condominium ownership established herein shall be evidenced by a termination agreement executed in writing by all of the aforesaid parties in recordable form in accordance with the Act, and such instruments shall be recorded in the Real Property Records.

Article XIII **General Provisions**

13.01 Covenant Against Partition. There shall be no judicial or other partition of the Condominium Property or any part thereof, nor shall any person acquiring any interest in the Condominium Property or any part thereof seek any such partition unless the Condominium Property has been removed from the provisions of the Act.

13.02 Disclosures. Each Owner and each Owner's family, tenants, guests, employees, invitees, lessees or licensees acknowledge the following:

(A) The Condominium is located adjacent to thoroughfares that may be affected by traffic and noise from time to time and may be improved and/or widened in the future.

(B) No representations are made regarding the zoning of adjacent property, or that the category to which adjacent property is zoned may not change in the future.

(C) No representations are made that the Unit is or will be soundproof or that sound may not be transmitted from one Unit to another.

(D) The floor plans and the dimensions and square footage calculations shown on the Plans, if any, are only approximations. Any Unit Owner who is concerned about any representations regarding the Plans should perform his own investigation as to the dimensions, measurements and square footage of his Unit.

(E) The Developer will be constructing portions of the Condominium and engaging in other construction activities related to the construction of Common Elements, and improvement of Units as well as the potential construction and development of Phase II. Such construction activities may, from time to time, produce certain conditions on the Condominium, including, without limitation: (1) noise or sound that is objectionable because of its volume, duration, frequency or shrillness; (2) smoke; (3) noxious, toxic, or corrosive fumes or gases; (4) obnoxious odors; (5) dust, dirt or flying ash; (6) unusual fire or explosion hazards; (7) temporary interruption of utilities; and/or (8) other conditions that may threaten the security or safety of persons on the Condominium Property. Notwithstanding the foregoing, all Owners agree that such conditions on the Condominium Property resulting from renovation and construction activities shall not be deemed a nuisance and shall not cause Developer and its agents to be deemed in violation of any provision of this Declaration.

(F) Mold and/or mildew can grow in any portion of the Condominium that is exposed to elevated levels of moisture. The Association and each Unit Owner agree to: (1) regularly inspect the parts of the Condominium that they respectively maintain, and which are visible and accessible without having to first conduct invasive testing, for the existence of mold, mildew, and/or water intrusion and/or damage; (2) upon discovery, immediately repair in a good and workmanlike condition the source of any water intrusion in the parts of the Condominium that they respectively maintain; (3) remediate or replace any building material located in the parts of the Condominium that they respectively maintain that has absorbed water or moisture as a result of water intrusion; and (4) promptly and regularly remediate all mold and/or mildew discovered in the parts of the Condominium that they respectively maintain in accordance with current industry accepted methods. In addition, each Unit Owner

agrees to notify the Association of the discovery of mold, mildew, and/or water intrusion and/or damage in their respective Units.

Article XIV
Amendment

14.01 Amendments by Developer. Without limiting the rights of the Developer to alter the Condominium as described hereinabove in this Declaration, and notwithstanding any other provision herein contained, the following provisions shall be deemed to be in full force and effect, none of which shall be construed as to relieve the Developer from any obligations as a Unit Owner to pay assessments as to Units owned by it in accordance with the Condominium Documents:

(A) The Developer reserves the right to amend the Articles of Incorporation and the Bylaws until such time as Developer relinquishes control of the Association as provided below.

(B) The Developer reserves the right to amend this Declaration and the Condominium Documents so long as there is no Unit Owner other than the Developer.

(C) The Developer reserves the right at any time to amend this Declaration without the consent of other Owners if required by any Mortgagee as a condition of making a loan secured by an interest in a Unit in order to meet the requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association; provided, that any such changes or amendments requested by a Mortgagee shall not materially affect the rights of the Unit Owners or the value of the Unit or the undivided interest in the Common Elements.

(D) The Developer reserves the right at any time to amend this Declaration without the consent of the Owners to cause Phase II to be made a part of the Condominium in accordance with Section 4.05 hereof.

14.02 Amendments by Unit Owners. At such time as there is a Unit Owner other than the Developer, then this Declaration may be amended in the following manner:

(A) A proposal to amend this Declaration may be considered at any meeting of the Members called for that purpose in accordance with the provisions of the Bylaws; provided that the Association provides prior written notice of such meeting to the Mortgagees as provided above.

(1) The proposal to amend this Declaration must be approved by the affirmative vote of the Members representing not less than sixty-seven percent (67%) of the total allocated votes of the Association and by the affirmative vote of the Mortgagees representing not less than sixty-seven

percent (67%) of the total allocated votes of the Units subject to the Mortgages; or

(2) In the event the proposed amendment seeks to amend a voting requirement that requires greater than sixty-seven percent (67%) approval for the action contemplated by such provision (the "Approval Requirement"), then the amendment of such provision must be approved by the affirmative vote of not less than the relevant Approval Requirement of the total allocated votes of the Association and the affirmative vote of the Mortgagees representing not less than the relevant Approval Requirement of the total allocated votes of the Units subject to the Mortgages; or

(B) By unanimous consent or agreement of the Unit Owners and the Mortgagees as evidenced by their signatures to the amendment.

14.03 Prohibited Amendments. Notwithstanding the foregoing Section 14.02, no amendment to this Declaration made pursuant to Section 14.02 shall:

(A) change a Unit, including the ownership in Common Elements and responsibility for Common Expenses and voting rights, without the prior written approval of the Unit Owner or Unit Owners so affected and prior written approval of the holders of record of any Mortgage or other liens on the Unit or Units so affected; or

(B) eliminate, modify, change, impair, abridge, prejudice or otherwise adversely affect any rights, benefits, privileges or priorities granted to the Developer without the written consent of the Developer.

14.04 Effectiveness of Amendments. A copy of each amendment so adopted shall be certified by the President or Vice President and Secretary or Assistant Secretary of the Association as having been fully adopted, and shall be effective when recorded in the Real Property Records.

Article XV Control of the Association

15.01 Election of Board of Directors. The Developer, its successors or assigns, may appoint and remove the members of the Board of Directors, and in the event of vacancies, the Developer shall fill the vacancies, until no later than the earlier of either (i) sixty (60) days after seventy-five percent (75%) of the total number of Units have been conveyed to purchasers of Units, or (ii) two (2) years have elapsed from the date the Developer has ceased to offer Units for sale in the ordinary course of business, or (iii) the Developer elects by written notice to the Association, at the Developer's option, to terminate such control of the Association, whichever first occurs. Notwithstanding the

foregoing, within ninety (90) days after conveyance by Developer of twenty-five percent (25%) of the Units, the Unit Owners other than Developer shall be entitled to elect twenty-five percent (25%) of the members of the Board of Directors. No later than ninety (90) days after conveyance of fifty percent (50%) of the Units to Unit Owners other than Developer, not less than thirty-three and one-third (33 1/3%) percent of the members of the Board shall be elected by the Unit Owners. The Developer shall be entitled to elect at least one (1) member of the Board of Directors as long as the Developer holds for sale in the ordinary course of business at least one (1) Unit, and such right is not contrary to the other provisions hereof.

15.02 Notice of Meeting. Within sixty (60) days before the date of termination of control of the Association by the Developer, the Association shall call and give not less than ten (10) days nor more than thirty (30) days' notice of a meeting of the Unit Owners for the purpose of electing the members of the Board of Directors. Such meeting shall be called and the notice given in accordance with the Bylaws.

15.03 Status of Unsold Units.

(A) The Developer shall be deemed to be the Owner of each Unit which has not been conveyed to a person other than Developer. Unless otherwise provided in the Condominium Documents, the Developer shall be entitled to all rights and privileges available to, and shall be subject to any and all obligations and duties imposed upon, the Owner of any such Unit under the Condominium Documents.

(B) Any person having a Mortgage lien against any Unit which has not been conveyed to a person other than the Developer shall be deemed to be a Mortgagee with respect to any such Unit, and shall be entitled to all rights and privileges available to a Mortgagee of any such Unit under the Condominium Documents.

(C) Notwithstanding the provisions above, no assessments shall be imposed by the Association against the Developer as the Owner of unsold Units until sixty (60) days after the conveyance of the first Unit by the Developer. During such period, Developer shall be responsible for the Common Expenses of the Condominium Property, except that the Developer shall be entitled to use and apply to the payment of such Common Expenses any and all Assessments made against the Unit Owners other than Developer and collected by the Association for Common Expenses. The Developer shall be solely responsible for the maintenance, repair and operation of any unsold Units.

15.04 Professional Management and Other Contracts. Any agreement entered into by the Association prior to the passage of control of the Association from the Developer that is subject to the provisions of §35-8A-305 of the Act shall be terminable in accordance with said §35-8A-305.

Article XVI
Dispute Resolution

16.01 Agreement to Encourage Resolution of Disputes Without Litigation.

(A) Developer, the Association and its officers and directors, all Owners, all persons subject to this Declaration, and any person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Party"), agree that it is in the best interest of all concerned to encourage the amicable resolution of disputes involving the Condominium, the Association and/or the Owners without the emotional and financial costs of litigation. Accordingly, each Bound Party agrees not to file suit in any court with respect to a Claim (hereinafter defined), unless and until it has first submitted such Claim to the alternative dispute resolution procedures set forth in Section 16.02 in a good faith effort to resolve such Claim.

(B) As used in this Article, the term "Claim" shall refer to any claim, grievance or dispute arising out of or relating to:

- (1) the interpretation, application, or enforcement of the Condominium Documents;
- (2) the rights, obligations and duties of any Bound Party under the Condominium Documents; or
- (3) the design or construction of improvements within the Condominium;

except that the following shall not be considered "Claims" unless all parties to the matter otherwise agree to submit the matter to the procedures set forth in Section 16.02:

- (i) any suit by the Association to collect Assessments or other amounts due from any Owner;
- (ii) any suit by the Association to obtain a temporary restraining order (or emergency equitable relief) and such ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of this Declaration;
- (iii) any suit between Owners, which does not include Developer or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Condominium Documents;

(iv) any suit in which any indispensable party is not a Bound Party;

(v) any suit as to which any applicable statute of limitations would expire within one hundred eighty (180) days of giving the Notice required by Section 16.02(A), unless the party or parties against whom the Claim is made agree to toll the statute of limitations as to such Claim for such period as may reasonably be necessary to comply with this Article; and

(vi) any suit relating to or arising out of any Alleged Defect (hereinafter defined).

16.02 Dispute Resolution Procedures.

(A) Notice. The Bound Party asserting a Claim ("Claimant") against another Bound Party ("Respondent") shall give written notice ("Notice") to each Respondent and to the Board stating plainly and concisely:

(i) the nature of the Claim, including the persons involved and the Respondent's role in the Claim;

(ii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

(iii) the Claimant's proposed resolution or remedy; and

(iv) the Claimant's desire to meet with the Respondent to discuss in good faith ways to resolve the Claim.

(B) Negotiation. The Claimant and Respondent shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the parties in negotiating a resolution of the Claim.

(C) Mediation. If the parties have not resolved the Claim through negotiation within thirty (30) days of the date of the Notice described in Section 16.02(A) (or within such other period as the parties may agree upon), the Claimant shall have thirty (30) additional days to submit the Claim to mediation with an entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency or individual providing dispute resolution services in the State of Alabama. If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be

relieved of any and all liability to the Claimant (but not third parties) on account of such Claim. If the parties do not settle the Claim within thirty (30) days after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date that mediation was terminated. The Claimant shall thereafter be entitled to file suit or to initiate administrative proceedings on the Claim, as appropriate. Each party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all fees charged by the mediator.

(D) Settlement. Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the parties. If any party thereafter fails to abide by the terms of such agreement, then any other party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the procedures set forth in this Section. In such event, the party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties in equal proportions) all costs incurred in enforcing such agreement or award, including, without limitation, attorneys' fees and court costs.

16.03 Initiation of Litigation by Association. In addition to compliance with the foregoing alternative dispute resolution procedures, if applicable, the Association shall not initiate any judicial, arbitration or administrative proceedings unless first approved by a vote of the Members entitled to cast seventy-five percent (75%) of the votes in the Association, except that no such approval shall be required for actions or proceedings:

(A) initiated during the period that the Developer controls the Association;

(B) initiated to enforce the provisions of this Declaration, including collection of assessments and foreclosure of liens;

(C) initiated to challenge property taxation or condemnation proceedings;

(D) initiated against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies; or

(E) to defend claims filed against the Association or to assert counterclaims in proceedings instituted against it.

This Section 16.03 shall not be amended unless such amendment is approved by the same percentage of votes necessary to institute proceedings.

16.04 Developer's Right to Cure Alleged Defects. Due to the complex nature of construction and the subjectivity involved in evaluating such quality, disputes may arise as to whether a defect exists and the Developer's responsibility therefor. It is the Developer's intent to resolve all disputes and claims regarding any Alleged Defect (as defined below) amicably, and without the necessity of time-consuming and costly litigation. Accordingly, the Association and all Unit Owners shall be bound by the following claim resolution procedure with respect to Alleged Defects:

(A) Developer's Right to Cure. In the event that the Association, Board or any Unit Owner or Unit Owners (a "Complaining Party") claim, contend or allege that any portion of the Condominium, including, without limitation, the Common Elements, any Unit, and/or any improvements constructed on the Condominium Property, are defective or that the Developer or its agents, consultants, contractors or subcontractors (collectively, the "Developer's Agents") were negligent in the planning, design, engineering, grading, construction or other development thereof (collectively an "Alleged Defect"), the Developer hereby reserves the right to inspect, repair and/or replace such Alleged Defect as set forth herein.

(B) Notice to Developer. In the event that a Complaining Party discovers any Alleged Defect, such Complaining Party shall, within a reasonable time after discovery, notify the Developer, in writing, at such address as the Developer may from time to time provide to the Association, or such other address at which the Developer maintains its principal place of business, of the specific nature of such Alleged Defect ("Notice of Alleged Defect").

(C) Right to Enter, Inspect, Repair and/or Replace. Within a reasonable time after the receipt by the Developer of a Notice of Alleged Defect or the independent discovery of any Alleged Defect by the Developer, the Developer shall have the right, upon reasonable notice to the Complaining Party and during normal business hours, to enter onto or into, as applicable, the Common Elements, any Unit, and/or any improvements or other portion of the Condominium Property for the purposes of inspecting and, if deemed necessary by the Developer, repairing and/or replacing such Alleged Defect. In conducting such inspection, repairs and/or replacement, the Developer shall be entitled to take any actions as it shall deem reasonable and necessary under the circumstances.

(D) Legal Actions. No Complaining Party shall initiate any legal action, cause of action, proceeding, or arbitration against the Developer alleging damages (1) for the costs of repairing or the replacement of any Alleged Defect, (2) for the diminution in value of any real or personal property resulting from such Alleged Defect, or (3) for any consequential damages resulting from such Alleged Defect, unless and until the Complaining Party has (i) delivered to the Developer a Notice of Alleged Defect and (ii) the Developer has, within ninety (90) days after its receipt of such Notice of Alleged Defect, either (a) failed to repair or replace such

Alleged Defect or (b) if such Alleged Defect cannot reasonably be repaired or replaced within such ninety (90) day period, failed to commence such repair or replacement of the Alleged Defect and, thereafter, failed to pursue diligently such repair or replacement to completion.

(E) No Additional Obligations; Irrevocability and Waiver of Right. Nothing set forth in this Paragraph 16.04 shall be construed to impose any obligation on the Developer to inspect, repair, or replace or pay for any item or Alleged Defect for which the Developer is not otherwise obligated to do under applicable law or other agreement to which the Developer is a party. The right of the Developer to enter, inspect, repair and/or replace reserved hereby shall be irrevocable and may not be waived or otherwise terminated except by a writing, in recordable form, executed and recorded by the Developer in the Real Property Records. This provision does not create any warranties, express or implied, on the part of the Developer or the Association.

(F) Arbitration. Any disagreement between an Owner, Owners, the Board, and/or the Association, on the one hand, and the Developer on the other, concerning Developer's efforts to remedy or repair any Alleged Defect (a "Dispute"), after compliance with the foregoing provisions of this Section 16.04, shall be resolved by binding arbitration conducted in Lee County, Alabama in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then in effect. At the option of the Developer, any other person or entity with whom or which the Developer has an agreement for binding arbitration may be joined in an arbitration proceeding hereunder. The award rendered by the arbitrators shall be final and binding upon the parties to the arbitration, and judgment upon the award may be entered in any court having jurisdiction over any of the parties thereto. Arbitration proceedings pertaining to a Dispute shall be transcribed verbatim by a competent court reporting company selected by the American Arbitration Association. The initial fee of the American Arbitration Association shall be borne by the party initiating the Dispute, and all other costs of the arbitration, including the costs and fees of the arbitrators, and the expense of transcription, shall be borne in equal shares by (a) the Owner or Owners and/or Association, (b) Developer, and (c) any other parties to the arbitration joined at Owner's option. Notwithstanding anything herein to the contrary, the respective parties to the arbitration shall each be responsible for their own costs incurred in the arbitration with respect to third party expenses, including but not limited to, costs of discovery, attorneys' fees, accountants' fees, investigation expenses, and experts' fees.

Except as specifically provided to the contrary in the Act, all notices to any Unit Owner shall be delivered by hand delivery, by a recognized overnight courier who maintains verification of delivery in person, or by first class mail to the address of such Unit Owner at the Condominium, or to such other address as he may have designated from time to time, in a writing duly received, to the Association.

17.08 Governing Law. This Declaration shall be governed by, and is to be construed according to, the laws of the State of Alabama.

BY-LAWS

OF

TOWNHOMES AT TWIN FORKS CONDOMINIUM ASSOCIATION, INC.

ARTICLE I

THE ASSOCIATION

Section 1. Identity. These are the Bylaws of Townhomes at Twin Forks Condominium Association, Inc., a not for profit corporation (the "Association"), which was formed under the Alabama Nonprofit Corporation Law, §§10A-3-1.01, et seq Code of Alabama (1975) (the "Nonprofit Act") by filing the Articles of Incorporation of the Townhomes at Twin Forks Condominium Association, Inc. (the "Articles"), with the Office of the Judge of Probate of Lee County, Alabama. The Association has been organized for the purpose of providing for the acquisition, operation, management, maintenance, care, control and administration of the properties of Townhomes at Twin Forks, a condominium (the "Condominium"), pursuant to the provisions of the Alabama Uniform Condominium Act of 1991, §§35-8A-101, et seq, Code of Alabama (1975) (the "Condominium Act") and the Declaration of Condominium of Townhomes at Twin Forks Condominiums (the "Declaration"), as filed with the Office of the Judge of Probate of Lee County, Alabama, in accordance with the provisions of the Condominium Act. The terms capitalized herein shall be deemed to have the meanings set forth in the Declaration and the Condominium Act.

Section 2. Principal Office. The principal office of the Association in the State of Alabama shall be located in the City of Auburn, County of Lee. The Association may have such other offices, either within or without the State of Alabama, as the Board of Directors may designate or as the business of the Association may require from time to time.

Section 3. Registered Office. The registered office of the Association, required by the Nonprofit Act to be maintained in the State of Alabama, may be, but need not be, identical to the principal office in the State of Alabama, and the address of the registered office may be changed from time to time by the Board of Directors.

ARTICLE II MEMBERSHIP

Section 1. Annual Meeting. The annual meeting of the Membership shall be held on the first Saturday in the month of October in each year, beginning with the year 2020 at the hour of 10:00 a.m., or at such other time on such other day within such month as shall be fixed by the Board of Directors, for the purpose of electing directors, if the period of exclusive Developer control of the election of Members of the Board of Directors has ended, and in any event, for the transaction of such other business as may come before the meeting. If the day fixed for the annual meeting shall be a legal holiday in the State of Alabama, such meeting shall be held on the next succeeding business day. If the election of directors shall not be held on the day designated herein for any annual meeting of the Membership, or at any adjournment thereof, the Board of Directors shall cause the election to be held at a special meeting of the Membership as soon thereafter as may be convenient.

Section 2. Special Meetings. Special meetings of the Membership, for any purpose or purposes, unless otherwise prescribed by statute, may be called by the President or by a majority of the Board of Directors and shall be called by the President or the Secretary at the request of holders of not less than twenty (20%) percent of all the outstanding votes of the Membership.

Section 3. Place of Meeting. The Board of Directors may designate any place, within or without the State of Alabama, as the place of meeting for any annual meeting or for any special meeting of the Membership. If no designation is made, or if a special meeting is otherwise called, the place of the meeting shall be the principal office of the Association in the State of Alabama.

Section 4. Notice of Meeting. Written or printed notice stating the place, day and hour of the meeting and, in case of a special meeting, or of a meeting which is required by statute to be held for any special purpose, or of an annual meeting at which special action is to be taken, the purpose or purposes for which the meeting is called, or the special action which is proposed to be taken, shall, unless otherwise prescribed by statute, be delivered not less than ten (10) nor more than sixty (60) days before the date of the meeting, either personally or by mail, by or at the direction of the President, the Secretary, or the persons calling the meeting, to each member of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at his address as it appears on the records of the Association, with postage thereon prepaid.

Section 5. Fixing of Record Date. The Board of Directors may fix in advance a date as the record date for the purpose of determining the members entitled to notice of or to vote at any meeting of members or any adjournment thereof, or for any other proper purpose, such date in any case to be not more than thirty (30) days and, in case of a meeting of the Membership, not less than ten (10) days prior to the date on which the particular action requiring such determination of members is to be taken. If no record

date is fixed for the determination of members entitled to notice of or to vote at a meeting of the Membership, the date on which notice of the meeting is mailed shall be the record date for such determination of members. When a determination has been made, as provided in this section, such determination shall apply to any adjournment thereof.

Section 6. Voting Lists. The officer or agent having charge of the records of members of the Association shall make, at least ten (10) days before each meeting of the Membership, a complete list of the members entitled to vote at such meeting, or any adjournment thereof, arranged in alphabetical order, with the address of each member and the number of votes to which he is entitled, which list, for a period of ten (10) days prior to such meeting, shall be kept on file at the principal office of the Association and shall be subject to inspection by any member making written request therefor at any time during usual business hours. Such list shall also be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any member during the whole time of the meeting

Section 7. Quorum. The presence at any meeting of the members entitled to cast twenty (20%) percent of the votes in the Association, represented in person or by proxy, shall constitute a quorum. If a quorum is not present at any meeting, a majority of the members so represented may adjourn the meeting and reconvene from time to time without further notice. At any such reconvened meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. The members present or represented at a meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

Section 8. Majority Vote. The vote of members entitled to cast a majority of the votes represented at a meeting of the Membership at which a quorum is present shall be the act of the members of the Association, unless the vote of a greater number is required by law, the Declaration, the Articles, or these Bylaws.

Section 9. Proxies. At all meetings of the Membership, a member may vote in person or by proxy executed in writing by the member or by his duly authorized attorney in fact. A proxy is void if it is not dated or purports to be revocable without notice. Such proxy shall be filed with the Secretary of the Association before or at the time of the meeting. No proxy shall be valid after one (1) year from the date of its execution, unless a shorter term is provided in the proxy.

Section 10. Voting Rights. If only one of the multiple Owners of a Unit is present at a meeting of the Association, he is entitled to cast all the votes allocated to that Unit. If more than one of the multiple Owners are present, the votes allocated to that Unit may be cast only in accordance with the agreement of a majority in interest of the multiple Owners. There is a majority agreement if any one of the multiple Owners casts the votes allocated to that Unit without protest being made promptly to the person presiding over the meeting by any of the other Owners of the Unit.

Section 11. Informal Action by Members. Any action required to be taken at a meeting of the Membership, or any other action which may be taken at a meeting of the Membership, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the members entitled to vote with respect to the subject matter thereof.

ARTICLE III BOARD OF DIRECTORS

Section 1. General Powers. The affairs of the Association shall be managed by or under the direction of its Board of Directors.

Section 2. Number, Tenure and Qualifications. The initial Board of Directors shall consist of three (3) directors. These By-Laws may be amended from time to time as provided for herein to increase or decrease the number of directors of the Association to not less than three (3) nor more than five (5) directors. Each director shall hold office until the next annual meeting of the members and until his successor shall have been duly elected and shall have qualified or until his death or until he shall have resigned or shall have been removed, as provided for herein. A director need not be a member of the Association.

Section 3. Election of Directors.

(a) **General Election Procedure.** Election of directors entitled to be elected by the members shall be held at the annual meeting, or, if required in accordance with sub paragraph (b) below, at a special meeting of the Membership. The election shall be by secret ballot (unless dispensed with by unanimous consent) and by a plurality of the votes cast. The Owner of each whole Unit shall be entitled to cast his votes for each of as many nominees as there are vacancies to be filled at the time of the election. There shall be no cumulative voting.

(b) **Developer Control.** Notwithstanding the provisions of sub-paragraph (a) above, or anything in these By-Laws to the contrary, the Developer (as defined in the Declaration), its successors and assigns, and not the members of the Association, shall have the exclusive right to control the Association by electing all of the members of the Board of Directors of the Association, and in the event of vacancies, the Developer shall fill such vacancies, until such time as either (i) the expiration of sixty (60) days following the conveyance of seventy-five percent (75%) of the Units in the Condominium to purchasers of Units other than Developer, or (ii) the expiration of two (2) years from the date the Developer has ceased to offer Units for sale in the ordinary course of business, or (iii) the Developer elects by written notice to the Association, at its option, to terminate such control of the Association, whichever first occurs; provided, however, and in limitation of the foregoing, no later than ninety (90) days after conveyance of twenty-five percent (25%) of the Units, members of the

Association, other than the Developer, shall be entitled to elect twenty-five percent (25%) of the members of the Board and not later than ninety (90) days after conveyance of fifty percent (50%) of the Units to Unit Owners other than Developer, not less than thirty-three and one-third percent (33 1/3%) of the members of the Board shall be elected by the members of the Association other than the Developer. The Developer shall be entitled to elect at least one member of the Board of Directors as long as the Developer holds for sale in the ordinary course of business at least one (1) of the Units in the Condominium and such right is not violative of the then provisions of the Condominium Act. Within sixty (60) days before the date of termination of control of the Association by the Developer, the Board of Directors shall call and give not less than ten (10) nor more than thirty (30) days' notice of a special meeting of the Membership for the purpose of electing the members of the Board of Directors.

Section 4. Regular Meetings. A regular meeting of the Board of Directors shall be held without other notice than this Bylaw immediately after, and at the same place as, the annual meeting of the Membership; provided, however, any such regular meeting may be held at any other time or place which shall be specified in a notice given as hereinafter provided for special meetings, or in a consent and waiver of notice thereof, signed by all directors. The Board of Directors may provide, by resolution, the time and place, within or without the State of Alabama, for the holding of additional regular meetings without other notice than such resolution.

Section 5. Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the President or any two (2) directors.

Section 6. Notice. Notice of any special meeting shall be given at least three (3) days prior thereto by written notice delivered personally or mailed to each director at his business address, by U.S. mail or private carrier. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage thereon prepaid. If notice be given by private carrier, such notice shall be deemed to be delivered when the notice is delivered to the private carrier. Any director may waive notice of any meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

Section 7. Quorum. A majority of the number of directors determined in the manner fixed by Section 2 of this Article III shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, but if less than such majority is present at a meeting, a majority of the directors present may adjourn the meeting from time to time without further notice. If a quorum is present when the meeting is convened, the directors present may continue to do business, taking action by a vote of the majority of

a quorum, until adjournment, notwithstanding the withdrawal of enough directors to leave less than a quorum present, or the refusal of any director present to vote.

Section 8. Manner of Acting. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

Section 9. Action Without a Meeting. Any action that may be taken by the Board of Directors at a meeting may be taken without a meeting if a consent, in writing, setting forth the action so taken, shall be signed by all of the directors.

Section 10. Vacancies. Any vacancy occurring in the Board of Directors and any directorship to be filled by reason of an increase in the number of directors may be filled by a majority of the remaining directors, except as otherwise provided in Section 3 of this Article III. A director elected or appointed, as the case may be, shall be elected or appointed for the unexpired term of his predecessor in office.

Section 11. Committees. The Board of Directors may, by resolution or resolutions, passed by a majority of the whole Board, designate one or more committees, each of which shall consist of two (2) or more directors and which, to the extent provided in said resolution or resolutions or in these Bylaws shall have and may exercise all of the powers of the Board of Directors in the management of the activities and affairs of the Association and may have power to authorize the seal of the Association to be affixed to all papers which may require it, except that no such committee shall have the authority of the Board of Directors in reference to amending, altering or repealing these Bylaws; electing, appointing or removing any member of any such committee or any director or officer of the Association; amending the Articles, restating the Articles, adopting a plan of merger or adopting a plan of consolidation with another corporation; authorizing the sale, lease, exchange, or mortgage of all or substantially all of the property and assets of the Association; authorizing the voluntary dissolution of the Association or revoking proceedings therefor; adopting a plan for the distribution of assets of the Association; or amending, altering or repealing any action or resolution of the Board of Directors which by its terms provides that it shall not be amended, altered, or repealed by such committee. The designation of such committee or committees or the delegation thereto of authority shall not operate to relieve the Board of Directors or any individual director of any responsibility imposed upon it or him by law.

Section 12. Resignations. Any director of the Association may resign at any time, either by oral tender of resignation at any meeting of the Board or by giving written notice thereof to the Secretary of the Association. Such resignation shall take effect at the time specified therefore, and the acceptance of such resignation shall not be necessary to make it effective.

Section 13. Place of Meeting. The Board of Directors may designate any place within or without the State of Alabama as the place of meeting for any regular or special meeting of the Board of Directors.

Section 14. Presumption of Assent. A director of the Association who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the Association immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

ARTICLE IV OFFICERS

Section 1. Number. The officers of the Association shall be a President, one or more Vice President(s) (the number thereof to be determined by the Board of Directors), a Secretary, and a Treasurer, each of whom shall be elected by the Board of Directors. Such other officers and assistant officers as may be deemed necessary may be elected or appointed by the Board of Directors. Any two or more offices may be held by the same person, except the President and Secretary. An officer need not be a member of the Association. The failure of the Board of Directors to elect any officers other than a President, a Treasurer and a Secretary shall not constitute a violation of these Bylaws.

Section 2. Election and Term of Office. The officers of the Association to be elected by the Board of Directors shall be elected annually by the Board of Directors at the first meeting of the Board of Directors held after each annual meeting of the Membership. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as may be convenient. Each officer shall hold office until his successor shall have been duly elected and shall have qualified or until his death or until he shall have resigned or shall have been removed in the manner hereinafter provided.

Section 3. Removal. Any officer or agent elected or appointed by the Board of Directors may be removed at any time, by the affirmative vote of the Board of Directors, whenever in their judgment the best interests of the Association will be served thereby. Any such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment of an officer shall not of itself create any contract rights in favor of such officer.

Section 4. Vacancies. A vacancy in any office elected or appointed by the Board of Directors because of death, resignation, removal, disqualification or otherwise, may be filled by the Board of Directors for the unexpired portion of the term.

Section 5. President. The President shall be the chief executive officer of the Association and, subject to the control of the Board of Directors, shall in general supervise and control all of the business and affairs of the Association. He shall preside at all meetings of the Membership. He may sign, with the Secretary or an Assistant Secretary, any deeds, mortgages, bonds, contracts or other instruments which the Board of

Directors has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated by the Board of Directors or by these Bylaws to some other officer or agent of the Association, or shall be required by law to be otherwise signed or executed; and in general, shall perform all duties incident to the office of President and such other duties as may be prescribed by the Board of Directors from time to time.

Section 6. Vice President. In the absence of the President or in the event of his death, inability or refusal to act, the Vice President (or in the event there be more than one Vice President, the Vice Presidents in the order designated at the time of their election, or in the absence of any designation, then in the order of their election) shall perform the duties of the President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. Any Vice President shall perform such other duties as from time to time may be assigned to him by the President or by the Board of Directors.

Section 7. Secretary. The Secretary shall: (a) keep the minutes of the proceedings of the Members and of the Board of Directors in one or more books provided for the purpose; (b) see that all notices are duly given in accordance with the provisions of these Bylaws or as required by law; (c) be custodian of the corporate records and of the seal of the Association and see that the seal of the Association is affixed to all documents the execution of which on behalf of the Association under its seal is duly authorized; (d) keep a register of the mailing address of each member which shall be furnished to the Secretary by such member; (e) have general charge of the transfer books of the members of the Association; and (f) in general perform all duties incident to the office of Secretary and such other duties as from time to time may be assigned to him by the President or by the Board of Directors.

Section 8. Treasurer. The Treasurer shall: (a) have charge and custody of and be responsible for all funds and securities of the Association; (b) receive and give receipts for monies due and payable to the Association from any source whatsoever, and deposit all such monies in the name of the Association in such banks, trust companies or other depositories as shall be selected in accordance with the provisions of Article V of these By-Laws; and (c) in general perform all of the duties as from time to time may be assigned to him by the President or by the Board of Directors. If required by the Board of Directors, the Treasurer shall give a bond for the faithful discharge of his duties in such sum and with such surety or sureties as the Board of Directors shall determine.

Section 9. Assistant Secretaries and Assistant Treasurer. The Assistant Secretaries and Assistant Treasurers, in general, shall be assigned to them by the Secretary or the Treasurer, respectively, or by the President or the Board of Directors. The Assistant Treasurers shall respectively, if required by the Board of Directors, give bonds for the faithful discharge of their duties in such sums and with such sureties as the Board of Directors shall determine.

Section 10. Salaries. The salaries of the officers, if any, shall be fixed from time to time by the Board of Directors, and no officer shall be prevented from receiving such salary by reason of the fact that he is also a director of the Association.

ARTICLE V CONTRACTS, LOANS, CHECKS AND DEPOSITS
